<ul style="list-style-type: none"> • HE'S A GOOD PROFESSOR • Great teacher, we always review before tests. He posts graded assignments and tests on the same day. Definitely would recommend him to another student. • Excellent and very understanding professor • As much as this class was a very interesting one, it was a bit boring at times because of how slow paced it was. It wasn't always interactive causing me to feel sleepy at times. Besides that, it was a very good class. I enjoyed the professor's teaching especially because he knew what he was talking about. It was a good class overall. • Great teacher overall lectures are a little overbearing with the amount of information in one day. Most of us would get tired during lectures.
